Forecast For London & Southeast England
Issued by Met Office Exeter
at 1600 on Monday 23 Aug 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Clear spells overnight, with mist and fog patches possible.

This Evening and Tonight:
A fine evening, with sunny spells, then dry with clear spells overnight. Remaining breezy in eastern coastal districts, although lighter winds inland will allow some mist or fog patches to develop in prone spots. Minimum temperature 11 deg C (52 deg F).

Tuesday:
Some early morning cloud is possible, but otherwise a fine day, with sunny spells widely developing. Feeling warm, especially inland, but cooler along the coasts with a fresh breeze. Maximum temperature 24 deg C (75 deg F).

Outlook for Wednesday to Friday:
Settled but breezy at times through this period, with some warm sunny spells by day, although perhaps more generally cloudy and damp early Thursday. Temperatures falling a little below average.
